

Activities:

Nakhleh Il Shiber- The character which has been always known with his blue, red and white outfit has returned back to address the rights of children. All the children showed their enthusiasm and expressed how much they missed the character. Nakhleh has been conveying messages to children in schools and summer camps since quite a while. This time the children enjoyed learning about their rights and also responsibilities through jokes, games and simple messages.

Mother's Day-Here is Leen ..Oohhh what a beautiful colored dress she is wearing!!!!!!...Look that is Yazan , I didn't know he wears glasses????!!!!!!.....These were some of the comments one could hear during the celebration on the occasion of Mother's Day. All the mothers really enjoyed seeing their children singing and dancing.

Basem and Muna Hishmeh Foundation signs another three year funding for the project " Opening Hearts and Souls through Music, Art , Dance and Drama" where it will concentrate on creating space to open the children's hearts and souls. Music , dancing helps so much to reach out to the children and gives them a space

Easter- As every year Easter is celebrated by having a fun day with chocolates and rabbits. BibleLands sponsors this day . Thank you BibleLands for making Easter a fun and chocolaty one.....Yumm!!!!

Nutrition Project- BibleLands provides children with a nutritious food item each day. The idea is that children get at least some nutrition where homes cannot provide .Through the vegetables and fruits and other food items they get the chance to learn about colors, nutritious values and enjoy together a healthy food item.

Also the children get the chance to create food items, they share the experiences to make a salad, soup a cake..... Through positive jealousy, children learn to eat healthy items when they did not feel strongly about.

School Trips-

Hooray was the cheer that one could hear from the students when they knew they were having a school trip.

Kg and Nursery went to Jericho area to the Arab Development Area where they had a learning sessions about farm animals, milking and dairy products and at the same time they had time to wonder and play.

As for classes 1 -2 they had a marvelous time at the Banana Land – Ein Sultan area in Jericho. Classes 3-5 had the chance to enjoyed their time that was and joy.

Class 6 enjoyed the beach in got excited to go and see the gardens and the beautiful view

visit Ramallah and filled with excitement

Jaffa and Haifa. They view of the Baha'ii from the telefrique cars.

Health and Safety- Like every year , the school runs general medical and dental check ups for students. Each student has a medical file. Also classes one and six get their obligatory immunization shots.

Wooten school

Active learning- The school has been working really hard and to seize every opportunity to enhance learning through touching, feeling and experiencing knowledge through the different ways.

- **Reading Week-** During the whole year, the library and reading are an essential part of the learning system. But, during one week in April , reading is accentuated and parents are involved as well.

Francophone Day- On the 20th of May , students celebrated Francophone day by doing

different sketches , drama skits, songs , dances and games. It was a fun day .

Graduation- 25 students graduated from class 6 on the 5th of June 2010. The graduation entailed a small talk from the school Principal " Mrs Salwa Zananiri" , another from the board of trustees President " Mrs Abla Nasir" . During the ceremony, the school choir sang two songs and the dabkeh " Folkore Dance" group made everyone clap with enthusiasm with their wonderful performance. The celebration ended with handing out the certificates to the graduates.

Sponsorship: We have 3 main sponsors who have been helping Rawdat El-Zuhur through many years to provide the children who come from low-income families with quality education and to maintain the school. The children pay nominal fees and the rest of the cost of each child is covered by those sponsors. Our deepest gratitude and appreciation goes to Biblelands from the U.K. and to Global Ministries and ANERA from the U.S.A. Without their support, it would have been very difficult to continue with our mission to guarantee that the children get the right to education in a secure and happy environment.

We greatly appreciate our visitors and donors who help support
